

More clients?

Marketing
Finding and engaging with new clients

- I want to work part-time from home for my own clients!
- I'm an established, experienced accountant, but need more clients!
- I lost my job and want to replace it with something of my own, rebuilding my income quickly!
- I want to replace my current job, starting part time to lay a solid foundation, then taking it FULL TIME!
- I want to supplement my current job with extra income on the side!

More revenue streams?

Accounting
The Services offered

- I would like to offer more services and get paid more
- I feel I could be doing more with my current clients to increase my average revenue per client

Working more efficiently?

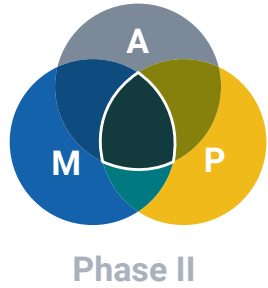

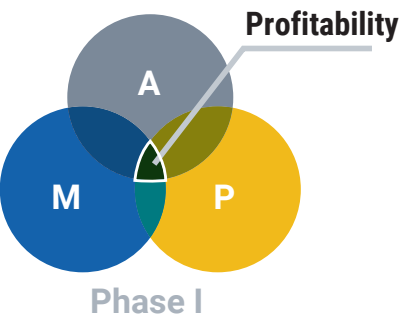

Production
The efficiency that the work is done (Standard Operating Procedures)

- I'm not busy enough. Needs more clients. Should focus himself with marketing.
- I have plenty of clients, comfortable with the services offered but I know I need to work more efficiently to be profitable.
- I'm too involved in the day-to-day operations of the business.
- I'm too busy. I need to work smarter and free up some time before I die at this. I need my life back while I continue to charge the same if not more.
